

WARRIOR VOLLEYBALL BOOSTER CLUB

The mission of the Warrior Volleyball Booster Club is to provide financial, as well as moral, support for the academic and athletic needs of the Warrior Volleyball program and its Student-Athletes. Financial support is achieved through annual membership dues and fundraisers such as the annual A'o a Koa Dinner which raises money for summer school scholarships and other program needs. Moral support is also an integral part of the club and is achieved by attending games to cheer on the team as well as participating in booster club activities with the team such as the occasional potlucks and booster-provided post game meals.

Message from Head Coach Charlie Wade:

"2019 promises to be another successful year for Warrior Volleyball and we are hoping to count on your support. We continue to put ourselves in position to compete for both the conference and the NCAA Championship. While we have been close over the last few years we are more committed than ever to put the work in which will help us realize this goal for our team, the state, and all those who support us. Everyone in the Warrior Volleyball ohana is looking forward to building on the successes we have had and the progress we have made as a team on and off the court. Last year we had the most players of any team recognized by the Big West for their academic achievement. This is just one way we work to distinguish ourselves. We are dedicated to providing our fans with exciting performances and a team they enjoy supporting. Mahalo nui loa for your vital support and generosity."
