

H-CLUB UPDATES FOR 2025-2026 SEASONS

BOOSTER CLUB MEMBERSHIP PROGRAMS TO RETURN IN 2025

Booster club membership programs will return for 2025-2026 seasons following a one-year hiatus.

Each booster club will support a specific team by offering a separate membership program and benefits. H-Club and booster clubs will operate independently with membership dues credited to one program only (i.e. booster club dues will not credit towards H-Club membership and vice versa).

Team access benefits that transitioned to H-Club in 2024, such as head coach interactions and post-season banquet invitations, will return to booster club inventory.

H-Club membership dues will return to supporting all Hawaii Athletics programs at large. Donors will retain the option to direct H-Club gifts (i.e. contributions not counted towards membership) to support a team of their choice.

Further details regarding booster clubs will be announced in summer 2025.
